

**Pass/No Pass Guidelines for General Education (GE) courses  
College of Engineering effective July 1, 2017**

1. Students who petition to take a GE course P/NP must be in Good Standing Qualitatively.
2. P/NP grading option will only be approved for GE courses or unrestricted electives taken outside of the College of Engineering, up to 16 units.
3. P/NP petitions must be submitted by the P/NP deadline
  - o 4 pm on the 25th day of instruction during the academic year
  - o For summer deadlines, check [Summer Sessions calendar](#)
4. Late petitions will not be approved.
5. Students may not exercise P/NP grading for:
  - o any coursework offered by the College of Engineering  
BIM, EAE, EBS, ECH, ECI, ECM, ECS, EEC, EME, EMS, ENG
  - o any coursework used for satisfaction of course requirements towards their degree,  
e.g. technical electives
6. Courses offered on only a P/NP basis (i.e. cannot be taken for a letter grade):
  - o are acceptable for specific program area degree requirements (e.g. ENG 199's)
  - o cannot be used to satisfy GE requirements (e.g. EDU 181, GEL 81, MUS 141)
7. Courses taken prior to Summer Session 1 2017 on a P/NP basis cannot be used towards GE requirement.

Submit the Optional P/NP Grading Mode Change forms in the Forms & Petitions tab in Oasis.

For questions regarding P/NP grading, please contact the Engineering Undergraduate Office, 1050 Kemper Hall (530-752-1979).
